**Attention sport horse breeders:** Looking for a new, high-potential athletic stallion for your lighter-boned mare? Check out Loud Bridge Louis! Louis is a new sire standing at Cleary Lake Veterinary Hospital for 2012. A stunning gray shire imported from England, Louis has exceptional conformation and movement and a personality you can't beat. Standing an impressive 18.1 hands high, Louis will be an excellent choice if you're looking to add some height and solid bone structure to your program. He is also available to all draft horse mares. Louis is SHS and ASHA registered. Make an appointment to meet him with our head repro technician Jess. Call 952-435-8387.
