Small Animal Edition

March 2010

Spring is just a couple weeks away. Are you prepared?

Spring brings warmer weather and pesky disease spreading bugs!

Stop by today and stock up on *Frontline Plus* to protect against fleas and ticks.

Don't forget about those pesky mosquitos that can carry deadly heartworm disease. Pick up some *Heartgard Plus* to protect your pet.

Too busy to come by?

Where to turn?

The internet is full of information, as well as misinformation. Many times the internet can answer questions, but it no substitute for a visit and/or exam with your veterinarian.

The following are websites we recommend:

General Information on cats and dogs:

www.veterinarypartner.com

www.healthypet.com

<http://www.avma.org/care4pets>

Behavior:

www.dogstardaily.com

Information on parasites (pets and kids):

www.petsandparasites.com

Pet Loss:

www.mvma.org/pet_loss_support.asp

www.rainbowsbridge.com

www.pet-loss.net

Traveling/Shipping Pets:

<http://www.aphis.usda.gov/regulations/vs/iregs/animals/>

Further information can be found at our website

www.clvets.com

You can also order medications/flea & tick preventative/heartworm preventative on our online store.

You know your pet best, and if there is something that is just not right, give your veterinarian a call.
