Payment Information:

Payment in full at time of enrollment is required, unless you choose to put a credit card on file with us. In this case payment of half of the fee is required, with the balance plus a \$25.00 surcharge due by April 1, 2009. (Your credit card will be charged for the balance on April 1 unless you choose to pay it beforehand.) Our regular cash/check/credit card discounts do not apply. Please ask a receptionist if you would like information on CareCredit, a card that allows interest-free payments for 90 days for veterinary services.

What payment method do you choose? Paid in full 50% paid & credit card on file

Credit card information: Visa MasterCard Discover

Number _____ Expiration date _____ CV Code _____

Signature _____ Date _____

Other information:

- ? The call charge for each visit will be 25% less than what you would normally pay for that visit. Payment of the call charge is required at time of service.
- ? Appointments will be scheduled on a first-come, first-served basis. Our office may contact you to schedule appointments based on when we are available in certain areas. You are also welcome to bring your horse into the clinic for each visit to avoid call charges.
- ? We do not guarantee availability of any individual veterinarian for each appointment.
- ? If your horse should pass away before fulfillment of the wellness program, we will credit your account accordingly on a pro-rated basis.
- ? If your horse is sold or transferred before fulfillment of the wellness program, the remaining services on the program will be transferred with the horse and be available for use by the new owner.
- ? Please ask us for a list of additional benefits of enrolling in our wellness programs, such as discounts on imaging (radiographs, thermography & ultrasound) and joint health products.
